The **Lindbergh LaVista Corridor Coalition, Inc.** is a 501(c)3 not-for-profit corporation made up of concerned residents and businesses of Lindridge-Martin Manor, LaVista Park, and Woodland Hills. It is our aim to plan for and study the issues that face the Corridor and partner with those associations to implement improvements. The Coalition, supported by the City of Atlanta as well as the DeKalb County Commission and Planning Department, completed a Blueprints for Successful Communities study through the Georgia Conservancy to develop a Master Plan for the Corridor to have an influence on the changes that are facing our community.

We see our role as being the conduit for consensus. You can learn more about the LLCC and sign up for its newsletters at <https://lindberghlavista.org>. Join the conversations in our community, and connect with us on Twitter and Facebook @LLCorridor.

Help us in a direct way by supporting the LLCC to ensure that the changes that take place around us in the years ahead build on what we have to make it better. Your participation and contribution is a vote for a livable community.

Donations are tax deductible as charitable contributions. Giving opportunities are available online at <https://lindberghlavista.org/support/>.
